Plan – Meet – Register. It's as simple as 1-2-3

You will need to **'plan'** your courses, then you need to **'meet'** with your advisor for approval, then at your assigned permission to register time, you will **'register'** for your courses. Closer to your registration time, you will receive a 'PERMISSION TO REGISTER' email from the University Registrar which will give you a specific day and time to begin registration. Please check your HPU email regularly. Spring registration begins on November 2 for students with 96 or more credits completed to date.
